Dear Kristen Nigriny:

Childrens' Creative Learning Centers (CCLC) is very excited to have the opportunity to work with you and the City of Sunnyvale to create a One Stop Resource Center for child care providers in the Sunnyvale area. At this time, CCLC would like to be considered a collaborator, represented by Jacqueline Sell and will commit a donation of materials valued at \$1,000.00 for the start up of the center... The specific materials to be purchased will be determined according to needs for the resource center.

As a child care business member in the City of Sunnyvale, we are pleased to offer our assistance in providing services that meet the needs of families and children. We are proud to have our corporate office in a city that considers the needs of child care providers among the many issues they review.

We look forward to continuing this project with your team.

Sincerely,

Ty Durekas
